

“IL GIORNALINO BASILONE”

THE OFFICIAL NEWSLETTER OF

SPECIAL EDITION ***JOHN BASILONE PARADE 2010***

Dear Sisters and Brothers,

As promised, here is the Special Parade Edition of our newsletter. It covers the 29th Annual John Basilone Memorial Parade held in Raritan, New Jersey on September 26th.

More than 300 groups participated in the parade, which 60,000 spectators watched according to local media. As you look through the photos of that very special day, I ask you to notice a few things. The incredible number of people lining every inch of the parade route; the Marines; the American flags; the pride and warmth of those honoring Sgt. Basilone that is so strong and sincere you can see it in the photos!

The photos need no captions. Perhaps next year, on September 25th 2011, you too will be there to march with us to honor Sgt. John Basilone.

Fraternally yours,

Cliff
